

## Murrieta Valley Crimson Cadets Music Boosters

P.O. Box 1338  
Murrieta, CA 92562

Dear

The Crimson Cadets Band and Pageantry program at Murrieta Valley High School has begun a new season under the direction of Rick Lorenzen. The expectations are high as the new season progresses and the young musicians and pageantry performers practice and practice and then blow us away with an awesome show "Atlantis".

Because of their involvement in the music programs the students receive a double benefit. First, the demand for discipline in study, practice and physical fitness is huge. It is amazing to see the growth in their performances as the year progresses. Secondly, and most intriguing was learning that both law and medical schools are asking student applicants if they have been involved in a high school music program for four years. They know what kind of hard work and dedication is required of these your men and women...and it has been deemed a benefit for those entering college and preparing for demanding careers.

The Murrieta Valley High School's Band and Pageantry program are asking you to consider making a donation to benefit the Music program. Competitive programs like ours require more than just student dedication (although that is a huge ingredient), it requires funding for equipment, specialized coaching, programming, transportation, and many other demands that our schools no longer provide.

The costs to each member are shared and can be up to \$800 per year. Especially under the current budget climate the music program is totally booster / parent funded. The Boosters are committed parents, family and friends who are managing the funds that are raised for the program and volunteer helpers at all the programs events. Your donation will be put to good use and appropriately acknowledged.

We thank you for your support.

Sincerely,

Denise Hains  
MVHS Band Booster President
