Corporate Fundraising Fact Sheet

- 10% of every corporate donation you secure for the Crimson Cadets is applied to your student's band commitments...
- Corporate donors are honored with a nice plaque and recognition at band events, plus some advertizing on the web and in print...
- Corporate donations can be "in kind", however, there is no translation of "in kind" donations to funds applied to student commitments.
- Check with your employer for community service programs that may exist to contribute funds to charities of choice... MVHS Booster Club is a non-profit, 501c3 organization with appropriate documentation...
- The Booster Board has letters of request to be sent to the potential corporate donors... email or call the Band Booster President with corporate name and address to have letter printed DeniseH@crimsoncadets.org.
- If a personal visit is necessary to obtain corporate donations... you can take the printed information with you or request a member of the Boosters to make the presentation... contact the Band Booster President to arrange.
- Leads are appreciated and can be submitted to the Band Booster President by email or in writing... please include company name, name of contact, address and phone of contact, and your name (if you want the 10% credited to your students Band Commitments).

*Any questions... please contact Denise Hains, Band Booster President at DeniseH@crimsoncadets.org.
